

## ABOUT OUR PARTNERSHIP & SERVICES

**American Integrity Restoration** joined the DKI Network in 2010. Disaster Kleenup International (DKI) is **North America's largest disaster restoration** contracting organization and has the highest service standards in the industry. As a DKI member, AIR enjoys the ability to share best practices to stay at the cutting edge of technological advancements and updates to methodologies/certifications through DKI's extensive training requirements for its members.

Further, during widespread catastrophes, AIR can leverage the team of fellow DKI member companies to engage and assist with specialized labor and equipment, when the need arises. With the ability to pool resources from over 400 locations throughout the United States, customers of DKI members benefit, especially during times of widespread disaster. DKI can execute emergency services quickly and professionally by leveraging multiple DKI member companies at once to an affected area.

Some additional advantages of using a DKI Company:

- Available 24-hours a day, 365 days a year
- Response time of 2 hours or less for emergency services
- Comprehensive claims processing platform
- Over \$1.5 billion in restoration work annually
- Largest inventory of equipment in North America
- All DKI member companies must adhere to strict industry and quality standards
- All DKI employees are background cleared, drug free

DKI is dedicated to ensuring a smooth and comprehensive recovery of your property throughout the entire mitigation and restoration process. Our years of experience have given us the ability to complete the most extensive large loss recovery projects.
